

ΟΠΙΝ ΑΙΤΗΜΑΤΟΣ ΧΟΡΗΓ

A map of the Athens area, showing the city's layout with roads and landmarks. A large red star is superimposed on the map, centered over the city. The star has a thick red outline and a solid red center. The map is overlaid with red Greek text in a bold, sans-serif font. The text is arranged in a circular pattern around the star, with the words "ΧΟΡΗΓΕΙΤΑΙ ΚΑΤΟΠΙΝ ΑΙΤΗΜΑΤΟΣ" (Granted upon request) repeated four times. The text is oriented diagonally, following the curve of the star's points. The map itself is a black and white line drawing, showing the city's boundaries and major roads. The text is in a bright red color, making it stand out against the map. The overall image has a historical or official feel, possibly a document or a poster.
