[illegible]

This aerial photograph shows a city block with several buildings. Red overlays are used to highlight specific areas: a large red rectangle on the left side, a red rectangle on the right side, and a red rectangle at the bottom center. The red overlays are placed on the ground, not on the buildings.

An aerial photograph of a residential neighborhood. A red arrow points to a house located on a street labeled '100th St'. The house is situated between two other houses, one of which is labeled '1002'. The surrounding area includes other houses, streets, and a large open lot.

ΕΦΑΝΑΡ

This is a black and white aerial photograph showing a coastal area. A road runs horizontally across the middle of the frame. To the left of the road, there are several buildings, including a large one with a flat roof and a smaller one with a gabled roof. To the right of the road, there is a large, irregularly shaped area that appears to be a field or a large building. The coastline is visible on the right side of the image, with the ocean to the right of the land.
